

Join Our Team at Amalgamated Facilities Management!

Electrician
Full-Time
Permanent
Mon – Fri (39 hours with flexible start/finish times)

The Role

We're seeking a dynamic and motivated individual to join our Electrical team. This is a fantastic opportunity to contribute to our ongoing growth and success. The selected candidate will be responsible for a diverse range of duties and responsibilities, including all areas of commercial electrical works.

The Candidate

The ideal candidate is someone who willing to take on challenges and is eager to grow and learn with our team. Strong communication skills, a collaborative spirit and a dedication to exceeding expectations are a must. As an experienced Electrician, you will have skills in electrical works in the commercial sector. Experience is important to us, but we're primarily looking for a driven individual who aligns with our values and vision to deliver the highest standards of work and exceptional customer experience.

Our Culture

At Amalgamated Facilities Management, we pride ourselves on our inclusive and vibrant workplace. We believe in the power of teamwork and value the unique contributions each team member brings. We're dedicated to fostering an environment where everyone feels valued, respected and empowered.

The Package

We offer competitive rates of pay and comprehensive benefits, including health insurance and Company Pension Scheme (subject to eligibility). We also believe in the continuous development of our team members and provide many training and learning opportunities.

How to Apply

If you're ready for a rewarding career with AFM, we'd love to hear from you! Apply today by forwarding your CV to hr@amalgamatedfm.com and let's build a brighter future together.

Feeling undecided? Why not have an informal chat about the role and learn why AFM might be the right place for you. Call now on 01481 252111 to speak to one of the team.

Other Requirements

All our roles require a basic police disclosure due to the nature and sensitivity of our working environments. Some roles may also require an enhanced police disclosure. These are part of our pre-employment screening checks if you are a successful candidate.

Where the role involves driving or the issuing of a Company vehicle, all applicants will need to hold a valid driving license.

AFM is a large Channel Islands based facilities management business which has been successfully trading for over 50 years. We have over 320 employees and our team is comprised of the most innovative and qualified professionals in the industry. We value individual responsibility, teamwork and commitment to continuous improvement. The company currently employs engineers and technical operatives from a wide variety of backgrounds. We are always looking to strengthen our team with skilled people who are comfortable when faced with customers, and who share a common desire to provide high standards of work as part of a growing professional team.
